GUIDELINES FOR DOCUMENT FORMAT

To submit a manuscript to ICMR12, 2024, authors need to prepare two separate files: Title page and Full manuscript

1. In title page: include on the first page of your submission the following information:

- Title of study (use bold and capital letters)
- Authors' names: Give the names of all contributing authors on the title page exactly as you wish them to appear in the published article. Note that after submitting the paper, the author cannot change any information about the authors.
- Affiliations: List the affiliation of each author (department, university, city, country). Correspondence details: Please provide an institutional email address for the corresponding author. Full postal details are also needed by the publisher but will not necessarily be published.
- Abstract: Please be noted that Abstract is a must have with maximum 250 words. Indicate the abstract paragraph with a bold heading.
- Keywords: Please provide maximum six keywords to help readers find your article. Acknowledgements (if any)
- Permission to use copyright material from other sources (if any)

2. Manuscript file: DO NOT PUT any information of author in this file

- Title of study (use bold and capital letters)
- Abstract (150- 250 words)
- Keywords: Please provide maximum six keywords to help readers find your article. Content of study

There are no strict formatting requirements for main text, but all manuscripts must contain the essential elements in main text needed to convey your manuscript including:

- Introduction
- Literature review
- Methodology
- Results
- Conclusions
- Acknowledgement (if any)
- References

Formatting guide:

1. Only Microsoft word (doc, docx) are acceptable for the manuscript document. Note that: Editable files are required for processing in production. If your manuscript contains any non-editable files (such as PDFs) you will be required to re-submit an editable file when you submit your revised manuscript, or after editorial acceptance in case no revision is necessary

2. The submission should be 1.15-spaced, with document margins of 2.5cm top, 2.5cm, bottom, 2.5cm inside and 2cm outside. Use the font Times New Roman, 13pt. Do not use page breaks in your manuscript.
